

# DECEMBER 2020

## NEWSLETTER

Dear Friends & Family:

We praise God for the privilege and opportunity to join with others and indeed the armies of heaven to shout: "Glory to God in the highest heaven and peace on earth to all who God favours." (Luke 2:14 NLT)

We greet you in the Name of Jesus, the Christ, who came to earth as a baby, lived among men for 30 years, paid the sacrifice for our sins, and now sits at the right hand of the Father, making intercession for us, until he returns not many days hence, to redeem us unto himself. Good news indeed. Hallelujah!

We are most grateful for and encouraged by those of you who were among over 50 persons able to join in the Friends and Partners Re-Connect Zoom session on November 28. Please share your ideas and suggestions for the next session. Bear in mind the year 2023 which will mark the fiftieth year of the registration of Team Work Associates in Jamaica.

The ministry continues because of the faithfulness of our God, dedicated staff members, and committed friends and supporters.

**Teamwork Christian Academy** has not been able to resume face-to-face classes since March 12. However we started virtually in September and with the help and cooperation of parents, continued the Accelerated Christian Education programme. Thanks to the Jamaica Council for Persons with Disabilities, The Special Education Unit of the Ministry of Education and our New Jersey Brethren, all our students who were previously unable to access online learning, now have tablets. We are working at putting in the facilities required by the Ministry of Health for face-to-face classes to resume in January 2021, but some parents prefer to continue virtually or to have a blended approach. We pray for God's wisdom and direction.

**Teamwork Church** Outreach has had to take a different format, but we are thankful for the opportunities to still reach out to others. A generous donation from a friend and supporter of the ministry has enabled us to practically assist our most vulnerable, in cash and kind.

**Teamwork Hospitality & Retreat Centre**

continues to host a reduced number of police officers, while refurbishing, building and maintenance work is ongoing.

The Trustees and Board of Directors of Teamwork take this opportunity to thank you all for your faithful encouragement and support over another year and to wish you God's best at this Christmas time and for the New Year. May God bless you all richly.
